**1 PETER: HOPE BIBLE STUDY**  
 The saying goes, "Hope springs eternal." But, depending upon what hope is based on or in, hope may be "iffy" at best, and downright hopeless at worst. Only hope based in God's Word is sure and certain. First Peter was written to remind us of this truth and to center our hope in God's Word. Then no matter what trials we may face, hope will keep us encouraged. 13 lessons. \$8 each
